

ALEXANDRE SANTOS MOVES UP TO SECOND PLACE

1 MAY 2026

FAR Rabat won the big game of the round in Morocco, defeating Raja Casablanca 2-1.

Alexandre Santos' team thus swaps places with their rival, moving up to second position.

The difference to the leader Maghreb Fes is only two points, at the moment when the championship is in its 17th round.

The Portuguese coach continues his season in great style. It's worth remembering that they have already qualified for the final of the African Champions League.
