

## ALDAIR DECISIVE IN 15 DIABOLICAL MINUTES

30 AUG 2026

Aldair Neves was one of the key figures in Levski Sofia's 3-1 victory away to Botev Plovdiv.

The full-back entered the game at halftime and, in 15 infernal minutes, practically decided the match. After a goalless first half, Levski scored six minutes after the break, with Aldair crossing for the goal, adding another assist.

But that wasn't all. Eight minutes later, Aldair himself scored the second goal of the game, bringing victory closer.

Until the end, Levski controlled the game, even after allowing their opponent to reduce the deficit, with the final score being 3-1 in stoppage time.

This victory leaves Levski alone at the top of the league and with one game in hand.
