

ALEXANDRE SANTOS: A COMEBACK VICTORY

3 APR 2026

Alexandre Santos led FAR Rabat to victory in their rescheduled matchday 10 league game, beating Olympique Dcheira 3-2.

It took a hard-fought battle to secure the three points, as the score was 1-2 at halftime, and only a comeback in the second half ensured the win.

With this result, FAR Rabat reaches 29 points in the league, equaling WAC in second place, although their rival has played one game less. However, league leaders Raja Casablanca have only one more point and have played two more games.

Alexandre Santos' next game is on Sunday against Kawkab.
