

## FRANCISCO MACHADO WINS THE REVELATION LEAGUE

28 APR 2026

A great achievement for Francisco Machado and Académico de Viseu FC.

The left-back has now won the Revelation League, after a very consistent run with the Viseu U23 team.

Throughout the season, Francisco has been an important player for the team, accumulating minutes, solid performances, and decisive moments, such as the goal against Sporting that secured an important victory in the qualifying phase.

At 20 years old, he continues to establish himself in a solid career in Viseu, after spells with the U19, U23, and even debuting for the first team.

Another important step in a trajectory of growth and ambition.
