22 JUL 2025

Serif Nhaga's transfer to Leixões was intermediated by Promosport, in partnership with Live Soccer Company.

Serif Nhaga, a 19-year-old full-back, arrives at Leixões from PSG, where he had gone to complete his training after leaving FC Porto.

"I feel fully prepared for what lies ahead. The important thing is to always work to my limits and meet the coach's demands," he stated at the presentation.
